Our **15** person VB BID Safe Team helps people throughout the district. In addition to the stats above, here are a few more services performed in June:

16 People safely escorted to their destination

6 Noise complaints responded to

1 Kitten rescued from a storm drain

We have **15** VB BID Clean Team workers. They are all clients of Chrysalis transitioning toward personal employment goals while increasing their on-the-job skills and earning a paycheck.

The **VB BID** is dedicated to making sure that LA City and County continue providing services at or above the levels provided before we began working in Venice. In support of that commitment, we do things like this:

31 Damaged street signs reported for replacement

"I've been delivering mail in Venice for more than 20 years, and I've never seen the streets as clean as they are since the BID services started. I'm almost sorry to be retiring because it's so much nicer to do my route now."

- Frank, Venice postal carrier
