Clean Team data is provided by Chrysalis. Safe Team data is provided by Allied Universal. Activities are reported daily by Clean and Safe Team members, who are employees of Chrysalis and Allied Universal, respectively. Chrysalis and Allied managers compile these reports into a monthly summary. The VB BID relies on our vendors' decades of BID expertise for the statistics we provide.

## VENICE BEACH BID IN THE COMMUNITY

### Local Hiring and a Pathway for Our Unhoused Community Members

When we started the BID, we promised you that hiring local would be a priority. So we're happy to report that almost everyone on our Clean Team is now from the local area. Another important goal of the BID was to provide a pathway out of homelessness for those who want it. To date, our Clean and Safe Teams have been successful in helping nearly half a dozen unhoused people in Venice get into the Chrysalis program and gain employment on our Clean Team.

### Please Call Us!

We're happy that more people in the district have learned about VB BID and are calling for services. We still prefer to get service calls via our dispatch number because it's easier to get accurate information that way. It also helps us in tracking the services we provide, so we can report to you in this monthly infographic.

To request service please call our dispatcher at **310.396.VBID (8243)**
