Clean Team data is provided by Chrysalis. Safe Team data is provided by Allied Universal.

¹ Includes noise complaints, misuse of bikes and scooters, and public drinking/smoking/urination/defecation.

² Includes safety escorts, responding to alarms, medical emergency/accident responses, and lost individuals.

VENICE BEACH BID IN THE COMMUNITY

As we continue responding to the challenges of COVID-19, community safety remains a top priority for the VB BID. Our Clean and Safe Teams are still serving the district on a daily basis, with some schedule adjustments as detailed on our website at [VB BID Clean and Safe Team Services in Response to Covid-19](#). Our services now include using biodegradable OdoBan products to sanitize high-touch areas of the district, such as cross walk buttons, parking meters, and outdoor seating including take away areas around restaurants.

Both teams practice the required social distancing in the office and on the job. Clean and Safe Team members are also provided with hand sanitizer and protective gear such as gloves and masks.

Please remember that we are here to help and call on us as needed. If you have feedback or questions for us, please email the BID at: admin@venicebeachbid.com.

In an **EMERGENCY** situation, please **call 911** before notifying the VB BID.
To request service for non-emergency incidents,
call our dispatcher at **310-396-VBID (8243)**
