A NOTE FROM NEW EXECUTIVE DIRECTOR ELENI POLAKOFF

As the new Executive Director of the Venice Beach BID, I am honored to advance our mission of providing clean and safe services for all Venetians' and visitors within our BID boundaries. Venice Beach, along with the rest of the world, is experiencing unprecedented times and the health and safety of our community is more important than ever. I joined the Venice Beach BID because I am passionate about the intersection of business, government, and community. I believe this combination offers an unequalled opportunity to make the greatest social impact. I look forward to building strong relationships with our stakeholders and helping to create community partnerships that bring about innovative solutions.

VENICE BEACH BID IN THE COMMUNITY

As we continue responding to the challenges of COVID-19, community safety remains our top priority. Our Clean and Safe Teams are still serving the district on a daily basis and we adjust our schedules and operations as needed to provide the best coverage we can. Both teams practice the required social distancing in the office and on the job. Clean and Safe Team members are also provided with hand sanitizer and protective gear such as gloves and masks.

Updated information about our service hours is posted on our website as often as possible. Please remember that we are here to help and call on us as needed. And if you have feedback or questions for us, please email the BID at: admin@venicebeachbid.com.

In an **EMERGENCY** situation, please **call 911** before notifying the VB BID.
To request service for non-emergency incidents,
