

VENICE BEACH BID

To keep serving you and the Venice community we need your support!
Here's how we're earning it!

IN OPERATION
SINCE MAY 2018

You asked and we acted.

After listening to you - we launched the following initiatives to better meet your needs:

- Increased capacity to rapidly remove abandoned bulky items.
- Launched a dedicated graffiti removal team to maximize benefits.
- Purchased a heated pressure washer to achieve a deeper sanitized clean.
- Piloted an OFW Engagement Team to help gain greater cooperation.
- Purchased a high-powered paint sprayer to quickly eliminate large graffiti.

We're working to mitigate impacts.

The work of the BID is more critical now than ever. We act as your liaison to the City and fill gaps in service that the City doesn't have resources to provide.

Our mission is extremely challenging. Throughout the pandemic the City has had to halt or reduce services because of funding shortfalls; impending budget cuts will have further impacts. Due to our unique funding source and our nonprofit structure, the BID is able to remain fully funded and fully operational at pre-Covid capacity.

If renewed, the BID's services and presence will be reliable and guaranteed. BID assessments are spent exclusively for the benefit of BID properties.
